PART IV.

"WATER CLAUSES CONSOLIDATION ACT, 1897."

WHEREAS the West Kootenay Power & Light Company, Limited, has applied, under the provisions of the "Water Clauses Consolidation Act, 1897," for a certificate in pursuance of the provisions of Section 85, to enable the Company to proceed with its proposed undertaking of the construction of a hydro-electric power plant on the north side of the Kootenay River, at or near the Upper Bonnington Falls, for the purpose of developing a supply of power for power and light purposes;

And whereas the Company has filed with the Clerk of the Executive Council the documents required by Section 85 of the said Act, and plans showing the

intended situation of the undertaking and works proposed by the Company:

This is to certify that the undertaking as submitted has been approved, and that the same is as follows:—

(1.) To construct the necessary works and buildings on a parcel of land known as Lot No. 1,396, West Kootenay District, as shewn by plans on file with the Clerk of the Executive Council, marked "A" and "B," respectively, for the development of power by the use of 162,000 miner's inches of water, which has been duly recorded, to be taken from the Kootenay River at a point about 1,000 feet above the Upper Bonnington Falls of the said River by means of a dam and canal, and to be returned immediately below the said Upper Falls.

The West Kootenay Power and Light Company, Limited, are hereby permitted to construct a dam commencing at a convenient point upon the site of their works now in the course of construction at the said Upper Bonnington Falls; thence up stream, following, as closely as conditions will permit, a rocky reef extending easterly from such Falls; thence to a suitable point at Lot No. 5,282, being the property of the City of Nelson; thence from a convenient point by a wooden dam, not exceeding in height the height of the wall to be erected by the City of Nelson from their proposed works on said Lot No. 5,282, to a junction with the wall proposed to be erected by the City of Nelson according to plans as now approved; all said works to be so constructed as to permit the free passage to the works of the City of Nelson of 51,000 inches of water now recorded by them.

The City of Nelson having appeared, and having been heard on the application for this certificate, and, by their Counsel having consented that the West Kootenay Power and Light Company, Limited, may use, free of cost to them, such portions of the lands of the City of Nelson as are reasonably necessary for the construction of the dam hereby authorized; and further permitting the West Kootenay Power and Light Company, Limited, to blast and remove such rocks and obstructions as may be found to interfere with the free current to such Falls and from the same, with power to take and use all such lands as may be found necessary or advantageous for the construction of such works.

(2.) It is proposed to construct a power plant capable of producing 20,000 horse-power, also a canal to be formed in the river bed to carry the water to the fore-bay, which will be cut out of the solid rock and will lead up to a concrete dam thrown across the channel, and for the purpose of increasing the available head of water to remove from the river channel below the Falls some small islands, which at present obstruct the channel.

(3.) These works will have a capacity of 20,000 horse-power in the initial construction, the machinery to be added as the conditions require.

(4.) Through the concrete dam five (5) twelve (12) foot steel supply pipes, each pipe being capable of furnishing water to develop 4,000 horse-power, will be placed.

(5.) It is proposed to instal three (3) units at present. the water wheels in connection therewith to consist of three vertical type turbine wheels enclosed in steel penstocks and discharging into tail-race.

(6.) The generators will consist of 3 3-phase, 60-cycle, revolving field generators, giving a voltage of 1,100 volts at terminals of machines.

(7.) This current to be passed through step-up transformers which will deliver current to the transmission line at 60,000 volts, and will be transmitted to any part of the District of West Kootenay within a radius of fifty miles from the City of Rossland, to supply power for mining, smelting, lighting and industrial purposes.

(8.) The current will be transmitted over a maximum distance of about 90 miles of No. 0 B. & S. gauge hard-drawn copper cable to sub-stations at different points, where the voltage will be transformed down to voltages required for local distribution.

(9.) And this is further to certify that the Company propose to proceed forthwith with the construction of the hydro-electric plant at an estimated cost of the whole undertaking of \$900,000, of which \$100,000 shall be subscribed before the Power Company commences the construction of its undertaking. The time within which the said works shall be in operation is fixed at one year from the date hereof.

(10.) And this is further to certify that the Company shall retain, have, hold and may exercise such rights, powers, privileges and priorities as they now hold (as

well as under this certificate) as may be requisite for the proper carrying out and completion of the undertaking aforesaid, and the certificate shall be considered as supplementary to, but not in derogation of, any such existing rights, powers, privileges or priorities. Nothing herein contained shall be taken or construed to interfere as between the different holders of records of water in the Kootenay River with their respective priorities.

Dated this 17th day of August, 1905.

aul7 CHARLES WILSON,
Clerk of the Executive Council.

DOMINION ORDERS IN COUNCIL.

Ref. 65,472A.)

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 29th day of July, 1905.

PRESENT :

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

ON a Report dated 25th July, 1905, from the Minister of the Interior, stating that a large number of persons have taken possession of certain parcels or lots of land in the Townsite of Field in the Province of British Columbia, and improved the same, and that many of such persons have built dwelling-houses and stores or shops upon such lots or parcels of land, respectively, although they have no title thereto.

The Minister further states that applications are now constantly being received in the Department of the Interior from many of the persons referred to, for title to the lands they have so taken possession of, built upon and improved.

The Minister therefore submits that it is expedient to afford each of them and all others who may be in any way interested in any lands in the Townsite of Field, an opportunity of establishing his claim before a Commissioner to be appointed by the Governor in Council, and to be clothed with the powers of sum-

moning witnesses and of requiring them to give evidence on oath and with the other powers which may be conferred upon him under the provisions of chapter 114 of the Revised Statutes of Canada.

The Minister therefore recommends that Thomas Gainsford Rothwell, of the City of Ottawa, in the Province of Ontario and Dominion of Canada, Law Clerk of the Department of the Interior, be appointed a Commissioner for the purpose aforesaid, to conduct an enquiry into each and every claim of the nature before mentioned to any lands in the said Townsite of Field and to submit all evidence taken by him at such enquiry with his report thereto to the Minister of the Interior, so that he, the Minister, may take or cause to be taken, such action as he may consider fair and equitable, in the interest not only of the several claimants, but also in the interests of the Crown, and in the public interest, to finally adjust and settle such claims; and that he, the said Thomas Gainsford Rothwell, be also authorised to inquire into, take and submit evidence and report thereon to the Minister, with regard to any other matter or thing connected with or in any way concerning the said Townsite of Field, which may appear to him, the said Thomas Gainsford Rothwell, the Minister should be informed of, so that the same may be finally adjusted and settled in the manner before mentioned.

The Minister further recommends that there be conferred upon the said Thomas Gainsford Rothwell by his Commission all powers which the Governor in Council is authorised to confer by virtue of the provisions of chapter 114 of the Revised Statutes of Canada.

The Committee submit the same for approval.

au31 JOHN. J. MCGEE,
Clerk of the Privy Council.

(Ref. 55,469A.)

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 11th day of July, 1905.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had under consideration a communication dated 19th January, 1905, from the Lieutenant-Governor of the Province of British Columbia, with respect to the reclamation of certain lands situated within what is known as the Sumas Dyking District.

The Minister of the Interior, to whom the matter was referred, states that having considered the scheme proposed for the dyking and reclamation of the lands in question and for their protection thereafter; and having also considered the petitions of those persons who are opposed to such enterprise, recommends as follows:—

(a.) That the proposed enterprise is in the public interest and is one which merits the grant of lands (enumerated in the schedule), which are at present of no marketable value and which, unless they are properly dyked and reclaimed, will remain of no value:

(b.) That the Minister of the Interior be authorised, as the representative of King Edward VII. in this matter, to enter into an agreement with James A. Lewis of Chicago, in the terms set forth in the draft agreement, or in such other terms as may be agreed upon between them, for the proper dyking, reclamation and protection of all lands situated in Townships Sixteen (16), Nineteen (19), Twenty (20), Twenty-two (22) and Twenty-three (23), in the District of New Westminster, in the Province of British Columbia, which are now liable to periodical overflow from the Fraser River at high water:

(c.) That upon the completion of such dyking works to the satisfaction of the Dyking Commissioners and to the satisfaction of the Minister of the Interior, as provided or set forth in the draft agreement, the Minister of the Interior may cause to be issued in favour of Mr. Lewis or of him and his associates or of the company mentioned or referred to in such draft agreement, Letters Patent under the Great Seal of Canada, for the Dominion Lands in the area to be so benefited, which said Dominion Lands are mentioned or set out in the Schedule:

(d.) That all other undertakings or agreements which have been entered into with any person or company under the authority of any Order in Council or otherwise by the Department of the Interior and all concessions which have been granted to any person or

company in pursuance of any of such undertakings or agreements, for the dyking and reclamation of the lands to be so dyked, reclaimed and protected under the authority of the agreements to be so entered into between the Minister of the Interior and Mr. Lewis, to be declared to have lapsed and to have become absolutely null and void.

The Committee submit the same for approval.

JOHN J. MCGEE,
Clerk of the Privy Council.

PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows.—

In the BRITISH COLUMBIA GAZETTE, and in one news paper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit

with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$ inches by 7 $\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901 (*see Journals, 1901, page 58*), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

VANCOUVER CITY BY-LAWS.

BY-LAW No. 1A.

A By-law to define the conditions, requirements and regulations of licences for the sale of spirituous, fermented and other liquors in the City of Vancouver, and for limiting the number of Hotel, Saloon, Shop and Restaurant licences.

WHEREAS it is deemed expedient, in the interest of the City of Vancouver, that the conditions, requirements and regulations for obtaining and holding licences for the sale of spirituous, fermented and intoxicating liquors, and for the government and cancellation of the same, should be defined:

Therefore, the Licensing Board of the City of Vancouver, in open meeting assembled, enacts as follows:—

1. Liquor shall mean any and all spirituous, fermented and other intoxicating liquor.

Licences.

2. Licences, written or printed, or partly written and partly printed, and of the several kinds or descriptions following, may be issued by the Licence Inspector by order of the Licensing Board of the City of Vancouver; that is to say:—

- Hotel licences;
- Saloon licences;
- Shop licences;
- Wholesale beer licences;
- Wholesale beer licences;
- Restaurant licences;
- Temporary licences for the sale of liquor at fairs, sports, games or entertainment.

3. A hotel or a saloon licence shall authorise the licensee to sell and dispose of on the premises and during the times named in the licence, subject to the provisions of this By-law, any

liquors, in quantities not exceeding one quart, which shall be drunk in the hotel or saloon in which the same is sold.

4. A shop licence shall authorise the licensee to sell and dispose of by retail, during the times named in the licence and subject to the provisions of this By-law, any liquors not to be drunk in or about the premises for which the licence is granted; but not less than one pint in quantity shall be sold or disposed of at any one time to any one person.

5. A wholesale licence shall authorise the licensee to sell and dispose of liquors from out of the premises for which the licence is granted during the times named in the licence and subject to the provisions of this By-law, in quantities of not less than two gallons in each cask or vessel, and whenever such selling by wholesale is in respect of bottled ale, porter, beer, wine or other fermented or spirituous liquor, each such sale shall be in quantities of not less than one dozen reputed quart bottles: Provided that no liquor so sold shall be consumed in or upon the house or premises in respect of which the licence is granted.

6. A wholesale beer licence shall authorise the licensee to sell and dispose of, during the times named in the licence, and subject to the provisions of this By-law, beer, ale, and stout only; each sale in quantities not less than two gallons in each cask or vessel, or each sale in quantities of not less than one dozen reputed quart bottles: Provided that none of the liquor so sold or disposed of shall be consumed in or upon the house, store or premises from which the same may be delivered.

7. A restaurant licence shall authorise the person named in the licence certificate to sell or dispose of, during the times named in the licence and subject to the provisions of this By-law, ale, beer, porter and light wines, by the bottle, to guests at table with their meals, upon the premises used and occupied as a restaurant, and fully described in the licence as the premises in respect of which such licence is granted.

8. A temporary licence shall authorise the person named in the licence certificate to sell or dispose of, during the times named in the licence and subject to the provisions of this By-law, liquors at any games, fair or entertainments mentioned therein, and for the period mentioned therein, and such temporary licence may be granted at any time by the Licensing Board to a fit and proper person then holding a licence for sale of liquor by retail under this By-law, and on payment of the fee prescribed by any by-law of the City of Vancouver for the time being in force.

9. Every licence issued, except specially provided for otherwise by resolution of the Board, shall be in force from the date of its issue until and inclusive of the thirtieth day of the month of June following, unless in the meantime revoked, cancelled or suspended by the Licensing Board, who shall have power at any time to revoke, suspend or cancel the same.

10. Every licence issued under this by-law shall be in the form to be approved by the Licensing Board.

11. No licence shall be issued until the applicant has first paid the licence fee prescribed as payable by any by-laws of the City of Vancouver for the licence for the sale of spirituous, fermented and intoxicating liquors.

12. Every application for a licence shall be in the form approved by the Licensing Board, and shall be filed with the Licence Inspector not less than fourteen clear days before the meeting of the Licensing Board. Such application shall be accompanied by a fee of ten dollars, and the applicant shall insert a notice of such application, giving the full name of the applicant, the location and character of the premises for which a licence is sought, and the class of licence required, for one week prior to the meeting of the Licensing Board, in some daily newspaper published in the City of Vancouver.

13. On every application for a licence, except for a wholesale licence, the Licence Inspector shall, after having ascertained that the place sought to be licensed is not within 100 yards of any hospital, school, college or church, report in writing to the Licensing Board on such licence, and such report shall contain:—

- (a.) A description of the house, premises and furniture;
- (b.) If the application be by a person who has previously held a licence for the sale of liquor in the City of Vancouver or elsewhere, a statement as to the manner in which the house or premises for which he has previously held a licence has been conducted during the existence of such previous licence and the character of the persons frequenting the premises so previously licensed;
- (c.) A description of the location of the entrance lights of said premises;
- (d.) A statement as to whether the applicant is known to be of good character and repute and is in all other respects a fit and proper person to have a licence;
- (e.) A statement as to whether the premises sought to be licensed are or are not, in his opinion, required for public convenience;
- (f.) A statement as to whether the applicant is or is not the true owner of the business of the hotel, saloon, shop or restaurant sought to be licensed, and if not, what interest he has therein;
- (g.) If the premises sought to be licensed are held by the applicant under lease, the name of the lessor and the amount of the rental paid;
- (h.) A statement whether the applicant has complied with the "Fire Escape Act, 1894," and amendments, and of any by-laws of the City governing the same, and has further complied with the provisions and requirements of all other Acts and by-laws for the time being in force affecting hotels, saloons, shops, restaurants, or the sale of liquors;
- (i.) A record of any convictions against the applicant.

14. Any person or persons may, either personally or by petition, oppose the granting of any licence, upon giving three clear days' notice in writing to the Licence Inspector and to the applicant. The objections which may be taken to the granting of a licence may be one or more of the following:—

- (a.) That the applicant is of bad fame and character, or of drunken habits, or has previously forfeited a licence either within or without the city; or
- (b.) That the licensing of the premises set out in the application is not required in the neighbourhood;
- (c.) That a licence for the sale of liquors has, within two years previous to the date of application, been forfeited in respect of the premises sought to be licensed for breach of this or any other by-laws of the City of Vancouver.

15. Every hearing of an application shall be open to the public, and every applicant for a new licence shall attend personally at such hearings, unless hindered by sickness or infirmity.

16. No licence shall be granted except the applicant therefor first satisfies the Licensing Board that he is the owner in fee simple or bona fide lessee of the premises proposed to be licensed.

17. Notwithstanding anything in this by-law, an applicant who has complied with all the other provisions of this by-law may

apply for a licence for a building either in course of construction or to be constructed, upon filing with the Licence Inspector plans and specifications of the proposed building; but no licence shall be granted or issued in respect of such proposed building until the Licence Inspector reports that the building has been completed in accordance with the said plans and specifications.

18. Save as hereinafter mentioned, every hotel to be licensed under this By-law shall contain, and during the continuance of the licence shall continue to contain, in addition to what is needed for the use of the family of the hotel-keeper, not less than 16 bedrooms in the same building, each of which shall contain at all times at least 384 cubic feet of space for each person who shall occupy the same, and each room shall have a wall window to open at least 2 feet square for the admission of fresh air, and shall have in every case a proper complement of bedding and furniture. And every hotel-keeper, in addition to the foregoing, shall have during the continuance of the licence, to the satisfaction of the Board, a well appointed and sufficient dining-room in the same premises, or immediately adjacent thereto, and en suite with the rest of the hotel premises, capable of seating, and properly furnished to seat, at least 25 guests, with the appliances requisite for serving the regular daily meals; and such meals shall be furnished to said guests if required. There shall not be more than one bar in each such hotel. Such bar shall be contained in a room which shall be capable of being securely closed during prohibited hours, and there shall be no partition in said bar-room of a greater height than eight feet, and there shall be a space of at least two feet between the top of the said partition and the ceiling of said bar-room and the top of said partition shall remain uncovered. All hotel premises now licensed shall, after the first day of July, 1906, contain, and during the continuance of the licence shall continue to contain, in addition to what is needed for the use of the family of the hotel-keeper, not less than twenty-five bedrooms, which shall comply with the requirements in the next preceding section mentioned. All hotel premises to be licensed in the City of Vancouver after the passage of this By-law, other than those for which the licence expired on the 30th day of June, 1905, and for which a renewal has been sought, shall contain, and shall during the continuance of the licence continue to contain, not less than fifty bedrooms, properly furnished for guests, of the dimensions and regulations hereinbefore set out.

19. No licence to sell liquor will be granted for any premises situated or located in any exclusively residential part of the City where it is shown to the satisfaction of the Licensing Board that the premises sought to be licensed are, or would probably be, objectionable to a majority of the residents of the locality, or prejudicial to private property in the immediate vicinity of such premises if licensed.

20. No hotel licence will be granted in respect of any premises unless such hotel shall have an entrance fronting on the highway in addition to the entrance to the bar or place where liquors are sold.

21. Every saloon authorised to be licensed under this By-law shall, until the 1st day of July, 1906, consist only of a bar-room, lavatory and such other offices as shall be necessary for the storage of goods. There shall be no liquor sold outside the bar-room of such saloon, and no partition in such bar-room shall be of greater height than 8 feet, and there shall be a space of at least 2 feet between the top of such partition and the ceiling of such bar-room. The top of said partition shall remain uncovered: Provided that a restaurant may be operated in the bar-room of such premises by the proprietor thereof, and liquors may be sold in such restaurant during such hours as the said saloon may be licensed to be open under this By-law. No partitions shall be allowed in such restaurant other than for the purpose of kitchen accommodation. Every saloon shall be capable of being securely closed during prohibited hours.

22. On and after the 1st day of July, 1906, every saloon to be licensed under this By-law shall have, and during the continuance of the licence shall continue to have, in addition to what is needed for the use of the family of the saloon-keeper, not less than 25 bedrooms, each of which shall contain at all times at least 384 cubic feet of space for each person who shall occupy the same, and each room shall have a wall window to open at least 2 feet square for the admission of fresh air, and shall have in every case a proper complement of bedding and furniture; and every saloon-keeper, in addition to the foregoing, shall have during the continuance of the licence, to the satisfaction of the Board, a well appointed and sufficient dining-room in the same premises, or immediately adjacent thereto, and en suite with the rest of the hotel premises, capable of seating, and properly furnished to seat, at least 25 guests, with the appliances requisite for serving the regular daily meals, and such meals shall be furnished to said guests if required. Upon complying with the requirements in this section set out, the licensee may apply for an hotel licence for the said premises in lieu of his saloon licence.

23. Every shop to be licensed under this by-law shall front on a public street; its windows shall afford a fair view of the whole premises in which the business of selling liquor is carried on. No partitions shall be allowed in any such shops except by leave of Licence Inspector, who may at any time cancel said leave, whereupon said partitions shall be immediately removed by the licensee, and the non-removal by such licensee on notice from the Licence Inspector shall constitute a breach of this by-law. The doors of such shop shall be capable of being securely locked, and the whole closed during such hours as are prohibited hours under this by-law.

24. No licence shall be granted for any premises where any kind of goods, wares or merchandise (except tobacco in any form and articles incident to its use) are sold or kept or offered for sale by retail. There shall be a window in every place where intoxicating liquors are sold that will permit of a full view of such place from the outside at all times during prohibited hours, and such place shall be sufficiently lighted during said prohibited hours to give a view of said place from the outside.

25. No licence shall be granted, transferred or held for the sale of liquor on any premises within one hundred yards of a hospital, school, college or church, nor to any person under the age of 21 years, nor who is a member of the Licensing Board, nor to any civic official, nor to any person for the benefit, direct or indirect, of any of these, and any such licence so granted, transferred or held shall be void.

26. In the event of a company being the owner or lessee of the premises sought to be licensed, the licence may be granted to a duly authorised manager of such company for such premises.

27. Licences may be issued in the name of a co-partnership, where two or more persons are carrying on business.

28. No person, firm or corporation shall hold more than one licence,

29. No licence shall be granted to any woman, unless she be the owner or tenant in her own right of the premises for which the licence is sought, and she shall satisfy the Licensing Board that the business to be carried on is for her own use and benefit.

30. No wholesale licence shall be granted to any person who carries on a retail business of any kind on the premises for which the licence is sought.

31. No licence shall be granted to or held by any person who is not of the full age of 21 years.

32. If an applicant for a licence has at any time or in any place been refused a licence on the ground that he is not a fit person to hold a licence, no application by such applicant, if opposed, will be entertained by the Commissioners within a period of two years of the last of such refusals; and no application by any person for a licence will be entertained by the Commissioners within said period if a person whose application has been refused for the same premises be living upon the premises of the applicant, or be in any way connected with the business proposed to be carried on by such applicant.

33. The number of licences issued and to be issued in the City shall be limited in manner following:—

(a.) The number of hotel licences to be issued in the City of Vancouver shall not exceed forty-seven (47) (unless augmented under the provisions of the next succeeding paragraph), until the population of the City of Vancouver shall be twenty-five thousand (25,000) or more, and then only one additional hotel licence shall be granted by said Licensing Board for each full five thousand (5,000) of population in excess of twenty-five thousand (25,000), the basis of such enumeration to be the yearly census taken by the Assessor of the City, who shall report to the Board not later than the 10th day of June in each and every year:

(b.) Provided that any licensed saloon-keeper may at any time prior to 1st July, 1906, upon making application and complying with the conditions and requirements necessary to obtain a hotel licence in the first instance, and upon the surrender of his saloon licence, be granted a hotel licence in respect of the same premises and such addition as shall have been rendered necessary, and shall be entitled to a refund of the difference between a saloon licence fee and a hotel licence fee, for the unexpired portion of the term for which the said saloon licence was granted:

(c.) The number of saloon licences issued or to be issued in the City of Vancouver shall not exceed twelve, and if at any time prior to the 1st day of July, 1906, this number shall become reduced through surrender, revocation or other cause, no other or additional saloon licence or licences shall be granted by the Licensing Board of the City of Vancouver in lieu of such licence so surrendered, revoked or cancelled, and no saloon licence shall be issued in the City of Vancouver for the sale of liquor on and after the 1st day of July, 1906, unless the premises in respect of which said licence is applied for have been made to comply with the provisions of this by-law governing saloons on and after said date as hereinbefore set forth:

(d.) The number of shop or retail licences issued or to be issued in the City of Vancouver shall not exceed ten (10), and no other or more shop or retail liquor licences shall be granted in said City until the population of said City is ascertained (in manner prescribed above) to be 30,000, and then only one additional shop or retail licence shall be granted for each full 5,000 of population in excess of 30,000:

(e.) There may be granted to not more than four restaurants, or places where meals are served to parties at any hour of the day or night, and whose furniture, equipage and apparatus for carrying on each of said restaurants shall be of the value of not less than two thousand dollars (\$2,000), a licence to supply ale, beer, porter and light wines by the bottle to customers at meals only in said restaurants; and said restaurants shall be governed in every respect as to renewal, cancellation, penalties and otherwise as are hotels, saloons and other places where liquors are sold. There shall be no partition in said restaurants, save for domestic purposes, of a greater height than eight feet, and there shall be a space of at least two feet between the top of said partition and the ceiling of the restaurant. The top of said partition shall remain uncovered.

34. Upon proof that the conditions necessary to the granting or holding of a licence to sell spirituous, fermented or other intoxicating liquors upon the premises for which such licence has been granted have ceased to exist, or do not exist, or upon proof that the premises for which such licence has been granted do not fulfil the requirements of this by-law, or any by-law or by-laws hereafter to be made; or upon proof that the licensee is not keeping the said premises in accordance with the provisions of this by-law, or any by-law hereafter to be passed; or upon proof that the licensee has become or is unfit to hold such a licence, either from the cause of insanity, drunkenness, inability, unwillingness or neglect to control the premises in respect of which such licence was granted in accordance with the provisions of this by-law, such licence shall, upon resolution of the Board, be revoked, suspended or cancelled as the Board shall deem necessary.

35. *Temporary Licences in case of Sale.*—Where a licensee is desirous of disposing of his licensed business, and of putting the purchaser thereof in possession, a temporary licence may, on application being made therefor in the form approved by the Commissioners, and upon the report of the Licence Inspector, be issued by the Chairman of the Board to the purchaser, which temporary licence shall permit the purchaser to carry on the licensed business purchased by him on the premises named in the temporary licence, and during the times therein set out and during the pleasure of the Board of Licence Commissioners, but not later than the next regular meeting of the Board of Licence Commissioners, which shall be held next after the expiry of 14 days from the date of such application. Such temporary licence shall be signed by the Licence Inspector and countersigned by the Chairman of Board of Licence Commissioners. The vendor's licence shall be suspended for the period during which temporary licence shall be in force. If such temporary licence be granted, the application in the report mentioned in the next preceding section shall be considered at the next regular meeting of the Board of Licence Commissioners to be held after the expiration of 14 days from the filing of the application with the Licence Inspector. If at said regular meeting the Board of Licence Commissioners decide to grant the applicant a licence in respect of the premises named in the temporary licence, the licence of the vendor in respect of said premises shall thereupon become void. In such case such fees as may have been paid by the vendor-licensee in respect of his licence for the current term proportionate to the unexpired portion thereof computed from the date of such meeting shall be considered as payment by the purchasing licensee on account of the fees payable by him in respect of said licensed premises. If the Board of Licence Commissioners shall at any time prior to said regular meeting cancel said temporary

licence, or refuses at said meeting to grant the said applicant-purchaser a licence, the vendor's licence shall remain suspended in operation, though time shall run on the same, until the Licence Inspector is satisfied that all conditions in this by-law contained respecting the said licensee's holding and exercise of the licence have been observed and performed. Upon being so satisfied he shall endorse the fact and the date on the said licence, and said licensee shall thereupon be considered to be re-instated in respect of said licence.

36. The Licensing Board may, by resolution, indorse on any licence permission to the holder thereof, or his assigns or legal representatives, to remove from the house to which his licence applies to another house to be described in the indorsement, and possessing all the accommodation required by this by-law. Such permission shall authorise the holder of the licence to sell the same liquors in the house mentioned in the indorsement, during the unexpired portion of the term for which the licence was granted, in the same manner and upon the same terms and conditions; but no such permission shall be granted unless and until the person applying therefor has filed with the Licence Inspector an application for such permission to remove, and paid a fee of twenty-five dollars, and unless and until the Licence Inspector shall have reported in the same manner as on an application for licence.

37. When in consequence of the death of the person holding a licence, or in case he, being a tenant of the licensed premises, is ejected, or his lease expires by effluxion of time, or he absconds, or by operation of law is deprived of the licensed premises, or in case of a company where the manager holding the licence ceases to be manager, the legal representatives of such persons, or the landlords or other persons interested in the premises, or the assignee-at-law, may, on application to the Licensing Board, and notwithstanding the non-production of the licence, obtain a transfer of such licence, on such terms as to the said Board may seem just, and for such transfer a fee of twenty dollars shall be paid.

38. The Inspector of Licences from time to time appointed by the City of Vancouver shall be, ex-officio, Inspector for this Licensing Board.

39. All licences shall be constantly and conspicuously exposed in the licensed warehouses, shops and restaurants, and in the bar-room of every hotel and saloon to which such licences refer.

40. Every hotel-keeper shall keep a lamp affixed over the door of his licensed premises, or within ten feet thereof, lighted during the whole of the night from dark to daylight, during the time of holding such licence, and a lamp of at least ten candle power over every exit or entrance which may at any time be used by others than his household.

41. Every saloon-keeper shall keep a lamp of at least ten candle power affixed over all entrances to and exits from his licensed premises during the whole of the night, from dark to daylight, during the time of holding such licence.

42. The Chairman of the Licensing Board may, by indorsement on the licence, exempt any hotel or saloon-keeper from compliance with the last two provisions in cases where the Licence Inspector reports that the street or particular place where the licensed premises are situate is otherwise sufficiently lighted.

43. No person having a shop licence to sell by retail shall allow any liquors sold by him, or in his possession, and for the sale of which a licence is required, to be consumed within his shop, or within the building of which such shop forms a part, or which communicates by any entrance with his shop, either by the purchaser thereof or by any other person not usually resident within such building; and no card game or game of any kind shall be permitted in such shop.

44. No person having a licence to sell by wholesale shall allow any liquor sold by him, or in his possession for sale, and for the sale or disposal of which such licence is required, to be consumed within his warehouse or shop, or within any building which forms part of or is appurtenant to, or which communicates by any entrance with, any warehouse, shop or other premises wherein any article to be sold or disposed of under such licence is sold by retail, or wherein there are kept any broken packages of such articles.

45. No licensee shall sell or allow or permit the sale of any liquors to, or allow any liquors to be consumed by, any child under the age of eighteen (18) years in any bar or room where liquors are sold.

46. No licensee shall allow or permit any child under the age of eighteen (18) years to frequent any bar or room where liquors are sold.

47. No person shall sell or offer for sale intoxicating liquors of any kind without having first obtained a licence authorising him to do so under this By-law; but this section shall not apply to sales under legal process, that is to say, under a writ issued out of a Court of competent jurisdiction in the Province, or for distress.

48. No person, unless he is duly licensed as aforesaid, shall by any sign or notice give the public to believe he is so licensed.

49. No person shall keep or have in his house, building, shop, eating house, or place of public entertainment, or in any room or place whatsoever, for the purpose of selling, bartering or trading therein, any intoxicating liquor, unless he be duly licensed for that purpose under the provisions of this By-law.

50. The preceding section shall not apply to prevent any practising chemist or druggist, duly authorised under any Act in force in the Province to dispense medicines, from keeping, having or selling liquors for strictly medicinal purposes; but no such sale shall be made in packages of more than six ounces at a time, except under a certificate from a registered practitioner. A record of every sale or other disposal of liquors so made, with the name of the person to whom sold or disposed of, and the name of the medical man who granted the certificate for same (if any), shall be kept in a book which may be inspected at all reasonable hours by the Licence Inspector, but no liquor so sold or disposed of shall be consumed on the premises on which same are sold.

51. No female person, except she be either the wife or the daughter of the licensee, shall sell or deliver liquor to any guest or customer in any premises licensed under this By-law, unless it be in the dining-room of a restaurant or hotel, nor shall any child under the age of eighteen (18) years either sell or deliver liquors in any such licensed premises; and any licensee so employing or allowing such person or child to do the acts above forbidden shall be deemed to be guilty of an infraction of this By-law.

52. Every person who is licensed to sell liquors by retail who receives in payment or as a pledge for any liquors supplied in or from his licensed premises anything but current money, or the debtor's own cheque on a bank or banker, shall for each such offence incur a penalty not exceeding twenty dollars, besides costs.

53. Any officer, policeman, constable or inspector may, for the purpose of preventing or detecting the violation of any of the provisions of this By-law which it is his duty to enforce, at any time enter into any and every part of any hotel, saloon or other house of public entertainment, shop, warehouse or other place wherein refreshments or liquors are sold or reputed to be sold, whether under licence or not, and may search every part thereof, and of the premises connected therewith, as he thinks necessary for the purpose aforesaid, and every person who is therein and who refuses or fails to admit such officer, policeman, constable or inspector demanding to enter in pursuance of this section in the execution of his duty, or who obstructs or attempts to obstruct, the entry of, or in any way interferes, or attempts to interfere, with the carrying out of the duties of such officer, policeman, constable or inspector, or any such search as aforesaid, shall be subject to the penalties of this By-law.

54. The licensee shall permit any officer, policeman, constable or Licence Inspector at any and all times to enter into any and every part of the hotel, saloon, restaurant, shop or other premises in respect of which his licence is granted, and shall unfasten such doors as may be required of him by such officer, policeman, constable or Licence Inspector, and shall otherwise aid in every way possible in his power the inspection of said premises.

55. Every hotel-keeper shall keep a register of the guests at his hotel, and no person shall be considered as a guest of the hotel unless his name be entered on the register.

56. Every holder of a liquor licence who allows, permits or suffers any gambling or other game of chance to be played in or on any part of his premises, or who employs any person or agent to induce any persons or person to take part in gambling games, is guilty of an infraction of this By-law and liable to the penalties thereof.

57. Every person licensed under this By-law who permits drunkenness or any violent, quarrelsome, riotous or disorderly conduct to take place on his premises or on premises over which he has any direct or indirect control, or who sells or delivers any intoxicating liquors to any drunken person, or permits any drunken person to consume any intoxicating liquor on his premises, or on premises over which he has any direct or indirect control, or permits any gambling or other unlawful games to be played or carried on on his premises, or on premises over which he has any direct or indirect control, or permits persons of notoriously bad character or women of ill-fame to frequent, assemble or meet on his premises, or on premises over which he has any direct or indirect control, or who allows musical instruments to be played, or exhibitions or performances to be made in any bar-room or room where liquors are sold, or room or compartments adjacent thereto or connected therewith, shall be liable to the penalties of this By-law, or may, without such penalty and costs, in the discretion of the Board, have his licence suspended, revoked or cancelled.

58. Every person who makes or uses, or allows to be made or used, any internal communications between licensed premises and any unlicensed premises which are used for public entertainment or resort, or as a refreshment room or house, shall incur a penalty of fifty dollars for every day during which such communication remains open or shall be used.

59. Every hotel-keeper who fails or refuses, either personally or through any one acting on his behalf, except for some reason, of the sufficiency of which the Licensing Board shall be the sole judge, to supply lodging or accommodation to any person demanding the same, and every hotel and restaurant keeper who refuses to supply meals to any person demanding the same, shall be guilty of an offence under this By-law.

60. No person, except the licensee for wages due for ordinary services in and about his house or premises, shall pay, or cause to be paid, or suffer or allow to be paid, any wages to any workman or other person in a hotel, restaurant or other place licensed to sell liquors by retail.

61. Every hotel, saloon or shop-keeper who receives in payment or as a pledge for any liquors supplied in or from his licensed premises anything but current money, or the debtor's own cheque on a bank or banker, shall for each such offence incur a penalty not exceeding twenty dollars, besides costs.

62. From and after the date of the passing hereof the keeper of premises licensed under the provisions of this by-law, to whom such licence is issued, shall designate the licensed premises under such distinctive name or sign to be approved of by the Licensing Board of the City, and shall not alter or vary the same without the consent of the said Licensing Board. A register shall be kept by the Inspector, in which all such names or signs and a description of the premises to which they apply shall be kept. Every keeper of licensed premises shall cause the name or sign by which his premises are known to be entered in the said Register, and a fee of one dollar shall be paid by such keeper to the City for every entry so made.

63. No licence shall be granted in respect of any saloon premises which are within 100 feet of the premises of any club in which liquors are sold or consumed, of which the licensee or any person in his employ on or about the licensed premises shall be a member, or shall have any interest, either directly or indirectly, therein, or who shall visit or frequent the premises upon which the club is situated.

64. No licensee, nor any person employed by him on or about the licensed premises, shall be a member of a club in which liquors are sold, the premises of which club are within a distance of 100 feet of the premises in respect of which said licensee holds his licence, nor shall he have any interest, direct or indirect, therein, nor shall he visit or frequent such club.

65. Any licensee under this By-law who represents, by word or act, or in any way whatsoever, that the liquor sold by him is other than it actually is, shall be guilty of an offence under this By-law. No bottle bearing the mark or brand of any manufacturer, blender, or bottler of liquor of any kind shall be used otherwise than for the disposal, without adulteration, of the original contents thereof, and any person licensed under this By-law who, personally or by his partner, agent, servant or servants, uses such bottle, otherwise than for the disposal without adulteration of the original contents thereof, shall be deemed to be guilty of an infraction of this By-law.

66. No person licensed under this By-law shall use any box or other package bearing the brand of the maker, vendor or agent of any cigars, other than for the disposal of the original contents of such box or package, and any person who, personally or by his partner, agent, servant or servants, uses such box or package shall be deemed to be guilty of an infraction of this By-law.

67. The licensee of a saloon shall not permit any side or back entrance to be used as an entrance or exit for his customers; such side or back exit or entrance shall be used by the proprietor

merely for the purposes of his domestic arrangements, such as the taking in of goods, and as an entrance for his employees.

"Side or back entrance" shall mean any entrance other than upon a public highway.

68. In every place where intoxicating liquors are authorised to be sold by wholesale or retail, no sale or other disposal of such liquors shall take place therein, or on the premises thereof, or out of or from the same, to any person or persons whomsoever, from or after the hour of eleven of the clock on Saturday night till six of the clock on Monday morning thereafter, nor from or after the hour of one of the clock at night and six the following morning on the other nights of the week, save and except in cases where a requisition for medical purposes, signed by a medical practitioner or by a Justice of the Peace, is produced by the vendee or his agent; nor shall any such liquor, whether sold or not, be permitted or allowed to be drunk in any place during the time prohibited for the sale of the same, except by the occupant or some member of his family or lodger in his house.

69. The keeper of any licensed hotel, saloon or other licensed premises in the City of Vancouver shall keep the bar-room or room in which liquor is trafficked in, closed against all persons other than those permitted to enter the same under clauses (a) and (b) of this section, between the hours of eleven o'clock on Saturday night and six o'clock on Monday morning thereafter, and from the hour of one o'clock at night and six the following morning on the other nights of the week; and any keeper of such licensed hotel, saloon or other licensed premises who allows or suffers any person or persons to frequent or be present in such bar-room, or room in which liquor is trafficked in, during the time aforesaid, shall be guilty of an offence under this By-law, unless it is established to the satisfaction of the Police Magistrate or other Justice or Justices before whom the prosecution is heard—

(a.) That the person so found frequenting or present in the bar-room where liquor is trafficked in as aforesaid was, at the time he or she so frequented or was present in such bar-room, a member of the family or household (other than a lodger, boarder, or guest), or a servant or employee of such keeper actually engaged in necessary domestic occupation or service within said bar-room:

(b.) Or that such person was present therein lawfully engaged in receiving or supplying liquor which might lawfully be sold during said prohibited hours.

70. The word "keeper," when used in this and the foregoing section, shall include the person actually contravening the provisions of this section, whether acting on behalf of himself or of another or others, and the actual offender as well as the keeper of the licensed premises shall be personally liable to the penalties and punishments which may be imposed for the infraction and violation of this section, and at the prosecutor's option the actual offender may be prosecuted jointly with or separately from the keeper, but both of them shall not be convicted of the same offence, and the conviction of one of them shall be a bar to the conviction of the other of them therefor.

71. Any person who sells intoxicating liquors within the City of Vancouver, without first having obtained a licence therefor as required by this By-law, shall be liable to a penalty for the first offence of not less than \$50 and costs, nor more than \$100 and costs; and for a second or subsequent offence, of not less than \$100 and costs; such penalty in each case, in default of payment, to be levied by distress and sale of the goods and chattels of the offender.

72. For any and every violation of any part or portion of this By-law for which no penalty is hereinbefore imposed, a penalty of not less than \$50, nor more than \$100, besides costs, may be imposed by the Mayor, Police Magistrate or Justices of the Peace convicting, such penalty, with costs, to be levied in case of default of payment by distress and sale of the goods and chattels of the offender.

73. Such portions of any and all By-laws heretofore passed regulating the sale of intoxicating liquors in the City of Vancouver as conflict with the provisions of this By-law are hereby repealed.

Done and passed in open meeting this eleventh day of August, 1905.

A. McEvoy, City Clerk. Chairman. se14
